Advil® Pediatric Drops

Advil Pediatric Drops provides up to 8 hours of relief of children's fever, and also relieves pain due to immunization, earache, colds and sore throat.

● **CAUTION:** Keep out of reach of children. Consult a physician if the pain or fever persists for more than 3 days. Do not use if child has kidney or liver disease or is dehydrated (significant fluid loss) due to vomiting, diarrhea or lack of fluid intake. Do not exceed the recommended dose unless advised by a physician.

WARNING: Do not administer to children taking acetylsalicylic acid (ASA) or other products containing ibuprofen, or to anyone who has had an allergic reaction (difficulty in breathing, swelling, hives or shock) after using ASA, other salicylates or anti-inflammatory drugs. In case of overdose, call a Poison Control Centre or a doctor at once even if there are no symptoms. For further information see package insert.

Grape - Dye Free

Non-medical Ingredients: artificial flavours, citric acid, disodium EDTA, glycerin, microcrystalline cellulose, polysorbate 80, sodium benzoate, sodium carboxymethylcellulose, sorbitol, sucrose, water, xanthan gum.
